

Christian Family Fellowship recognizes the need to minister to and care for one another beyond our current volunteer ministries. The Helping Hands restart would expand our opportunities to help others, not necessarily in our church only, but as a coordinated outreach to those around us.

Please **prayerfully** consider areas where you can further participate with the body. Possible areas of help include:

- Driver or companion to and from appointments
- Snow shoveling
- Seasonal cleanup
- Special building or cleaning project

Please detach and complete the form below explaining areas with which you would like to help.

Please pray for this ministry as we build it and seek to grow together as a family.
